

Help us make life easier for terminally ill people and their families.

The Toowoomba Hospice is a purpose built facility offering specialist health care for those experiencing a terminal illness.

Palliative care addresses the holistic needs of mind, body and soul, in an environment that provides dignity and support.

Family and friends are supported throughout this often difficult time and are encouraged, where able, to participate in the caring role.

The Toowoomba Hospice offers a unique service working collaboratively with existing palliative care service providers and with a strong focus on education and professionalism. The future of the Toowoomba Hospice will be assured by your kind support.

We can't do it without you

Funding to employ highly trained staff is needed to ensure our palliative and respite care remain accessible to everyone.

Your financial support will supplement our funding, allowing us to provide a comprehensive palliative care program.

Here are just a few examples of how your bequest or gift will assist:

- Equipment for patients
- Homely items such as linen, CDs, and aromatherapy oils
- Training of Hospice volunteers
- Bereavement follow-up, including Services of Remembrance, and
- Continuing education of staff and volunteers

We need your support to make a better life for us all.
