

We are excited that we are able to commence the return of our volunteers to the Toowoomba Hospice.

Whilst some restrictions still apply, and some roles have been modified to restrict access to the Clinical area, we are looking forward to see our volunteers gradually returning.

We also look forward to have new volunteers join our team too.

Our next Volunteer Information session is being held on 17th March from 9.30am - 11.30am, please contact our Volunteer Coordinator Sharene on 46598500 if you would like to attend.

**We're Excited!!!**
